**Daniel B. Warnell School of Forestry and Natural Resources**  
Forestry, Wildlife, Water and Soil Resources, Fisheries and Aquaculture,  
Natural Resource Recreation and Tourism

**Warnell School Applied Learning Experience (Internship/FANR 3900) Agreement**

This document provides important contact information and the agreement with the student, internship employer, and the Warnell School. This document must be completed, signed and returned before the student begins his or her internship. Only after the form has been turned in to the Student Services Coordinator, will the student be cleared to register for the Internship Class.

In order to receive academic credit for FANR 3900, Forestry and Natural Resources Internship, the intern must work full-time (40hrs/wk) for sixty to ninety days. The job duties must be comparable to that of an entry level natural resources position. Students participating in FANR 3900 must be paid above minimum wage, or receive special permission from the Associate Dean of Academic Affairs. All employers must complete an online intern evaluation when the Internship has been completed. A mid-service evaluation is also encouraged, but not required.

The student will be employed from (start-end date) \_\_\_\_\_, and will be paid \_\_\_\_\_ per/hour/week/month. Is housing provided? \_\_\_\_\_
